The Stanley Hotel, Estes Park, Colorado

## **The Stanley Hotel, Estes Park ([Prices & Photos](#))**

Just outside the eastern edge of Rocky Mountain National Park, the historic Stanley Hotel offers an ideal base for exploring the park as well as being renowned for its magnificent colonial architecture, jaw-dropping surroundings, and luxurious accommodations, that provide the ultimate setting for romance. It may be ideal for romance-seeking couples who are interested in the paranormal, however. Known as one of America's most haunted hotels, it reportedly spooked horror master Stephen King so much that it became the inspiration for the setting of "The Shining." Mr. Stanley, the hotel's original owner and the inventor of the Stanley Steamer Automobiles, along with his wife, are said to frequently walk through the

lobby. Mrs. Stanley can sometimes be heard playing her piano in the music room, while a former housekeeper who died here in 1911, is said to frequently assist guests in Room 217 by unpacking and storing their belongings, while the sounds of children running and laughing down the halls seem to be common occurrences, reported on the fourth floor.

Couples can enjoy fine dining at the beautiful Cascades Restaurant as well as massage therapies and facial treatments at the Parlour Spa.
