

We have looked at COVID best practices regarding pool safety and decided to implement a reservation system for the outdoor pool and lounge chairs. For the safety of our guests, as well as our Staff, we have some new regulations for use of our pools. We ask you to please read this operational plan carefully and in its entirety.

- Please wear your mask and check-in with Spa Concierge upon entering. A mask is not necessary when at your pool chair. Please do not wear your mask in the pool.
- Pool and outdoor lounge chairs are available for hotel guests only and by reservation only, no friends at this time. Guests are kindly asked to adhere to our current social distancing protocols.
- No one under 16 will be allowed at the pool without an adult (or older sibling), per our insurance policy.
- The Hot Tub will be limited to a maximum of 3 adults to provide for adequate social distancing.
- If your plans for the day change and you will not be able to show up for your reservation, please cancel it so that another guest may utilize the reservation. A cancellation fee may be applied.
- Check-in at the Spa Concierge will still be required, our team will have access to the day's list of reservations.
