

wide open spaces **AT THE SONNENALP**

SWISS CHALET

The Swiss Chalet features European inspired decor with a beautiful wooden interior and charming Swiss accents. It includes use of the outdoor patio with existing seating, bulb lights, and our famous Sonnenalp flowers.

LUDWIG'S TERRACE

Ludwig's Terrace is a glass enclosed room that faces our pool and the Gore Creek. The roof and side doors all open to give you the feeling that you are outside. This also allows for an easy weather back-up if needed, just close the roof!

LAWN & POOLSIDE

Cascading florals and the sound of the roaring Gore Creek welcome your guests to this to this perfect outdoor venue, the Lawn and Poolside.

For more details about each space, reference the following pages.

join us for your next event

For each event booked you will receive a one-night complimentary stay at the Sonnenalp, based on availability.
